Castle Announces Opening Of Scholarship Competition

The Institute of International Education has announced the 1954-55 competition opening for graduate study abroad under the Fulbright act. The dates of the competition are May 1 to Oct. 31, 1953, announced Dean Castle of the Graduate school.

Students eligible for this scholarship must have completed their degrees this spring, must be citizens of the United States, and may be required to submit proof of citizenship; they must have a knowledge of the language of the country sufficient to carry on the proposed study. For those countries whose languages are not taught in the United States, allowance will be made for applicants intending to acquire language competence prior to taking up studies. The student must be in good health.

Awards under the Fulbright act are a part of the educational exchange program of the Department of State. The objectives of this program are to promote better understanding of the United States and the people of other countries.

Selection for awards is made on the basis of the applicant's personal qualifications, academic record, value of the proposed study or research, and suitability for placement in an institution of higher learning abroad. Preference is given applicants who have not had previous foreign residence or study in the country for which they are applying.

Awards are made entirely in the currencies of participating countries abroad. They cover transportation, expenses of a language refresher or orientation course abroad, tuition, books and maintenance for one academic year.

Students interested in applying for this scholarship should consult with Dean Castle, U104, Fulbright program adviser, as soon as possible.

Junior Prom to Include Reitz and His Band Tonight

BY DEL MULKEY

MSU's first Junior Prom! Tonight collegians may dance to the music of Johnny Reitz's orchestra, see a 45-minute floor show, and listen to a blonde vocalist—all this in the well-decorated Gold room of the Student Union. Admission for the semi-formal prom is \$3 per couple and students may dance from 8 p.m. to midnight.

Semi-formal means that the men wear suits and the women "heels and hose" and ballerina-type skirts—not long formals, stressed junior class president George Paul. The dance is for all students whether they are members of the junior class or not.

Tickets will be on sale in the Student Union Coke store this morning and afternoon. They may also be purchased at the dance this evening. Ticket sales for the affair have not been good, say officials. ASMSU has backed the dance to the extent of \$900.

The Cooper Sisters, television stars on the West coast, will entertain with a 45-minute floor show.

They have appeared on television with Jack Benny, Spade Cooley, and Gene Krupa, as well as at theaters and clubs throughout the Northwest.

Singer for the Reitz orchestra is blonde, blue-eyed Marcelaine. She has been featured on recordings and has sung in radio. Reitz plays a variety of danceable music.

The Bear Paws will open the "Fish Bowl" in the Copper room where they will serve hamburgers and refreshments for the dancers.

Picnic Grounds Open Saturday

Saturday is the day set for the final work and official opening of the Interfraternity picnic park, located across the road from the Blackfoot tavern, according to John Imsande, Lewistown, Interfraternity council president.

Imsande said that work on the grounds has progressed rapidly and that the area has been partially cleared. He urged all fraternity men to turn out at 9:30 a.m. Saturday to help complete the project.

The park will be open to all students, faculty members, and townspeople. The area is completely closed off and back from the road.

Eight Equestrians Caught Horsing Around the Oval

BY DEL MULKEY

From the stables up at Morrie's and the wilds of Pattee canyon came eight fiery steeds mounted by some Phi Deltas. With the lead man of the caravan bearing a large cardboard "A" in lieu of saddle bags, and six other hombres carrying the letters spelling the name of a well-known ASMSU presidential candidate, the eight riders circled the oval at 2 p.m. yesterday. The intent of the seven deadly-looking men was obvious—advertising.

On the second trip around the oval, pandemonium struck. One of the hombres temporarily lost control of his mount, but brilliant horsemanship on his part soon brought things back to normal.

Whether from insufficient riding experience on the part of what should have been the eighth rider, or from lack of manpower by the aforementioned fraternity, the rear guard was missing. An unmounted pinto with an "N" took his place.

The four winners of the scholarships awarded outstanding students by Montana business and professional fraternities were announced at the group's annual banquet last night. Nine students were initiated into Beta Gamma Sigma, national honorary business fraternity limited to students with the highest scholastic standing.

Mrs. Rhoda Hanson, Miles City insurance woman, and John J. Burke, president of Metals Bank and Trust company in Butte, were named Montana's outstanding business woman and man of the year.

Roland Peterson, Hamilton, representing the Montana Society of Certified Public Accountants, presented the association's \$175 scholarship for a junior in accounting to George Shrum, Buffalo, Wyo., who is secretary of Alpha Kappa Psi, men's professional business fraternity. The group's \$25 key to a senior in accounting went to Edwin V. Richards, Butte.

C. G. Johnson of Plains, representing the Montana Banker's association, presented the organization's \$250 scholarship for a junior in finance to Byron L. Robb of Livingston.

The Montana Automobile Dealers association, represented by H. N. Hendricksen, Kalispell, presented the \$250 scholarship for a junior in marketing to Douglas Beighle, Deer Lodge, president-elect of Alpha Kappa Psi.

The Montana Building and Loan league, represented by Jack Hoon, Missoula, presented the league's

\$100 scholarship to Howard R. Austin, Kalispell.

A PCT \$25 scholarship award went to Martha A. Mannen, junior student from Brady, for maintaining the highest scholastic standing among women in her class. The two awards were made by the group's out-going president, La Rene Kising, Virginia City.

Life memberships to Alpha Kappa Psi were presented Charles W. Davis, senior from Glendive, as past president, and to Dick Biggestaff, as the member contributing most to the organization's program during the past year.

Honored by the fraternity was J. B. Speer, retiring MSU controller, who was given an honorary life membership. The awards were presented by Douglas Beighle, the group's new president.

E. Joe DeMaris, assistant professor of business administration, introduced the new members of the honorary group, Beta Gamma Sigma, and presented an honorary life membership to James R. Thomas of Butte, Montana's first Rhodes scholar. Edwin O. Dwyer was taken into the group as a faculty member. The new students initiated were Marlene G. Bredberg, Fallon; Gwendolyn Flightner, Darby; Mary C. Riley, Stevensville; Charles W. Davis, Glendive; James L. Nielsen, Scooby; Edwin V. Richards, Butte; Byron L. Robb, Livingston; Hurley C. Wilson, Malta; and Len Ard S. Zipperian, Missoula.

Approximately 250 persons attended the annual banquet, including 125 men and women representing major business and professional groups throughout the state. Entertainment was provided by Ruth Palmer and Mr. and Mrs. James Cole of the School of Music. George P. Dahlberg, MSU basketball coach, gave a brief talk.

Seven Forestry Specialists Will Study Land in Mexico

BY CARLA WETZSTEON

Seven forestry seniors specializing in range management left Wednesday on a trip that will take them 280 miles south of the Mexican border.

Range management includes development of the ranges for highest production, revolving pastures to guard against overgrazing, and the study of vegetation and climatic conditions affecting it.

The trip will round out the training program with studies of the management of all major vegetative zones between western Montana and Mexico. The trip consists of visits to all major research centers studying range management, livestock production, watershed management, and timber management in the Rocky mountain and intermountain area.

Two features of this trip are a visit to the Ashburn ranch in Arizona, which is an outstanding example of range management on private land, and a visit to Guaymas, Mexico to observe land-use practices there.

Students will familiarize themselves with the work of various agencies connected with range

management. Administration of lands under such agencies as the U. S. Forest Service, Bureau of Land Management, and the Indian Service will be discussed with administrators throughout the trip. Approximately 25 technicians and researchers in range management will be available at different points for information during the trip.

The trip is not only educational from the technical standpoint, according to Forestry Prof. Melvin Morris. The group will visit the Mormon Tabernacle in Salt Lake City, Utah, the Grand Canyon National park, Zion National park, Hoover dam, and Lake Meade.

The group will travel in a station wagon, private car, and trailer. About one-third of the time the students will camp out. They will prepare practically all their own meals. The trip costs each student approximately \$115 for food and transportation.

Students making the trip are Ed Burroughs, Dayton, Ohio; Robert Lake, Missoula; Don Lantz, Red Lodge; Jack Royle, Twin Falls, Ida.; Gerald Stern, Missoula; Doynne Tank, Hettinger, N. D.; and Clarence Almen, Hettinger, N. D.

South of the Border . . .

This group of senior forestry majors left MSU recently for Arizona and Mexico. While there they will study range management. The group will also visit Salt Lake City, Grand Canyon park, Zion park, Hoover dams, and Lake Meade. Included in the group are Ed Burroughs, Dayton, Ohio; Bob Lake, Missoula; Don Lantz, Red Lodge; Jack Royle, Twin Falls, Ida.; Gerald Stern, Missoula; Doynne Tank, Hettinger, N. D.; and Clarence Almen, Hettinger, N. D.

Just What's the Drawing Power of

A Man Named Reitz

ASMSU regimes during the past several years have excelled in bringing bands of nation-wide fame to play for collegian's listening and dancing pleasure. Because Missoula is oft times the stop-over point between Seattle and Minneapolis, the bands' agents have been willing to reduce their usual prices to mere shadows of what large organizations in the East would have to pay.

And yet, with nearly every band, its been nip and tuck to break even financially. Some have resulted in a few hundred dollars profit. Others have resulted in losses. But after weathering bands like Armstrong, Anthony, Ellington, Kenton, and the Snake River boys, we find that some \$1,000 remains in the Outside Entertainment fund. This \$1,000 is to be used as a buffer fund for all future bands; possibly to be enlarged, possibly to be tapped.

Johnny on the Spot . . .

Following the Busse, Brown, and Snake River successes of the current year, ASMSU was in the market for another band. One month ago a little man with horn rims, plaid jacket, and flashing smile visited Central board. He said he had a band that knocked 'em crazy on the West coast. As he passed out propaganda leaflets, the Board members listened attentively as he told of the band's continual successes. Before he left everyone was well acquainted with Johnny Reitz, past, present, and future.

The Board delayed action. But one week later, after touring Montana drumming up more business, the little man with the plaid coat was back again. After he left, the Board decided to contract him. Whether the majority vote was induced by compassion or flippancy has never been ascertained. Nevertheless ASMSU went out on the limb \$800 for a virtual "unknown."

Reitz Plus Prom Equals Hope . . .

The first problem following the contracting was to find something to add impetus to the band. The Junior Prom was pulled out of moth balls and set for May 1. Automatically the junior class was selected to promote the Prom.

When meetings were called to construct the machinery of promotion, almost nine people responded. When a ticket selling campaign was inaugurated to stir up some pre-Prom interest, almost 24 tickets were sold up to Wednesday night.

Can't Promote Flanagan on Credit . . .

What does this mean? It means that if collegians don't revive antiquated high school memories and flock to the "Big Prom" as in days of yore, ASMSU will find its buffer fund blasted with the result being less chance of being financially able in the future to promote bands of truly, nation-wide stature.—B.J.

Former Magazine Editor Asks for Humorous Assist

Dear Editor:

In answer to the comments printed in Thursday's Kaimin that "Venture" magazine should print more humor, we of the staff agree. The problem is getting someone to write it. As we have said before, we try to make the magazine general in interest, and because of that it becomes a reflection of the thoughts of writers in all departments. Yet, to date, no one has thought anything funny except a freshman whose story we are printing in the next issue.

If jokes, lewd and otherwise, copied from magazines of other colleges are what the student body considers humor, perhaps we could try that. However, many of those magazines are dying these days from lack of student financial backing.

For the next issue we have received much more material than we expected, but none of it is humorous. Ours is not a closed organization, and anyone interested in contributing to "Venture" in any way, even in helping us select the material to be printed, is heartily welcome.

Sincerely,
Helen Lenhart

Denver Starts Grid Drills; Wyoming Uses Single Wing

Ed. Note: This is the first in a series of articles previewing Montana's football opponents in the Skyline conference for next fall.

BY MURDO CAMPBELL

Denver

The Denver Pioneers, Skyline football squad of last fall, will be putting out new this spring. New head coach Bob Blackman and four new assistants have 78 candidates out for spring football practice. This is the largest turnout for the 20-day drill in the conference. Among these are 25 freshmen and 20 up from the last ranks.

During the spring sessions Coach Blackman will stress offense and inaugurate his V-formation to Denver players. This formation utilizes the best points of the T and single wing formations.

With one week remaining before the intra-squad game the Denver gridders show promise of developing an explosive attack for

next fall. Top candidates in the spring drill include Costello, Bowen, Johnson, and Soong, backs; and linemen Kenny, Nyman, Hicks, and Lear.

Although the Pioneers lost more players through graduation than any team in the conference, they will show definite improvement with their new system and will field a polished squad next fall.

Wyoming

New head coach Phil Dickens has 77 candidates out for spring football at Laramie, Wyo., and among these are 26 returning lettermen and 43 men up from the frosh squad of last fall.

Always one of the top squads in the conference, the Cowboys will use the single wing system again this year. Dickens' single wing is different from the Tennessee single wing used by the Cowpokes last season in that the blocking back will replace the tailback as the signal caller and will also share in the ball handling. Lost from last year's squad are all-conference tailback Chuck Spaulding and halfback Harry Geldien and all-conference linebacker Bill Hileman, who will graduate although he has another year of football eligibility.

Top candidates in spring drill include backs Farmer, Sines, Roberts, and Allen. In the line they include Coulter, Pilch, Adams, and Cowper.

Golf, Tennis Teams Meet BYU Today

At 10 this morning the Grizzly golf team will tangle with the BYU golfers for the second time this year. In their first meeting in Provo, BYU won 9-6.

Golf coach "Doc" Barnett says, "There is at least an even chance we will win." In the matches last Saturday which the Grizzlies won from Utah U, the boys had steadied down and all looked good, he said.

Saturday morning at 9:30 the Grizzly golfers will meet the Montana State college team at the Missoula country club.

The tennis team also goes into action this morning at 10:30 against the BYU team. They lost the first match they played with the BYU squad 5-0, a short match because of the weather.

Coach John Moody said he had a dim view of taking BYU. "They are better than the Utah U team that was here last Saturday."

In the matches last year at Provo, BYU took the Grizzlies, and in the meeting in Missoula the score was 9-0 for the Utah squad.

Grizzly Track Men Meet Utah State Squad Saturday

The Grizzly track squad for Saturday's meet with Utah State has been released by track coach Harry Adams. The meet will get under way at 1:30 Saturday afternoon.

Bill Rife and Jim Steindorf are scheduled to run the mile and two-mile. In the 440 it will be Leon Conner, Floyd Smith, Don Bissell, and John Imsande.

Marvin Reynolds, Don Halverston, and Don Archibald will run

the half-mile and the sprint men will be Don Brant, Walt Lonner, and Jim Haslip, depending on his injured ankle.

Dick Lindsay, James Habeck, and Ron Van Hee are entered in the hurdles and George Tarrant, Doug Delaney, Rudy Weishaar, and John Heltterline in the pole vault.

Ray Dunn and Jack Coppedge will be high jumping and Bob Hudson, Ritch Johnson, Jack Luckman, and Harold Utsond will be competing in the broad jump.

In the weights, it will be Luckman, Bob Beach, and Neil Hunter in the shot put, and Hal Maus, Luckman, Hunter, and Beach throwing the discus. Utsond, Ed Stocking, and Ed Anderson will be tossing the javelin.

Sigma Nu beat Phi Delta Theta 12-10 and Jumbolaya dropped South hall 17-13 yesterday in league A games.

In League B play, Sigma Chi defeated the Dukes 22-18 and Jumbo beat Sigma Alpha Epsilon 13-8.

No games were played Tuesday and Wednesday because of bad weather.

Softball Schedule—

Grizzly-BYU Double-header Slated Today

The Grizzlies will meet the Brigham Young Cougars today in a double-header baseball tilt at 2 and 8 p.m.

Montana is on top in the Western division with a 5-3 won-lost record. The Cougars are in second place with a 4-2 record.

Today's games give the Grizzlies their big chance to get into the Skyline play-offs.

Wednesday night the Grizzlies tied the Bonner Lumberjacks 5-5. The game was called after 11 innings because of cold. This was the third in a series of games with the Lumberjacks.

Frosh Field Baseball Nine

Because of the many freshman prospects that have been working out and because of the talent they have displayed, action has been taken and there will now be a frosh baseball team.

Lt. Gen. Frank W. Milburn, varsity baseball coach, announced yesterday that John Zeger would be handling the freshman coaching duties. Zeger is requesting all freshmen and ineligibles to turn out at 10:30 Saturday morning at Campbell field.

The team will scrimmage regularly with the varsity and Zeger will attempt to schedule games with the Bonner Lumberjacks and independent town teams from the towns near Missoula.

Those boys who have been working out already are infielders, Bob Hendricks, DeLynn Colvert, Jack Kyser, Jack Dunlap, George Fleming, Gary Jystad, and Sam Potenger; outfielders, Fred Baker and Keith Wuerthner; pitchers, Glenn Biehl and Bill Corr. Outstanding prospects who are planning to turn out are catchers, Lee Bofto, Bill McNutt and Del Rood; pitchers, Tom Pomroy and Paul Caine.

Beginning Monday, the freshmen will have the field from 2:45 to 4:00, and will practice every day.
